

PARENT HELP FORM

Please complete and return this form with your child's application.

As these courses cannot be run without your active help,

- A condition of acceptance of a child is that there is adequate support from the parents.

Thus the instructors can spend the maximum time on the water with the children and you help to keep costs down.

1. BOAT PARK. We **especially** need help with the most important job of preparing the boats and putting them away, and also helping the children get them into and out of the water. Although the children are responsible for their boats throughout the week, there is a lot of heavy work on the beach and in the boat park where adult strength is needed and which the juniors cannot be expected to undertake alone.

- 4-5 adults available each session would enable the work to be shared
- no prior knowledge of sailing is required and training will be provided on the job
- if you are unable to do certain activities because of injury etc, please let us know as there are also less active jobs which might suit you
- we do need cover at all times and welcome half or whole day commitments, but aim to be as flexible as possible and fit around any other arrangements you may have

Younger children are welcome provided they are supervised. This is also an opportunity to meet other parents and relax on the lawn with a cup of coffee or tea once the sailors have departed.

2. OTHER HELP is also vital to the success of the event. If you can help, please tick those where you feel competent and give details of any relevant qualifications.

JOB	Tick	Relevant Qualification	Current	Lapsed
