Temporary "Sabbatical" Licenses

Marina policy allows licence holders to take a 'cruising sabbatical' without forfeiting their marina place. From time to time this provides an available berth for one up to a maximum of two full seasons. Should this occur please indicate whether you want to be considered for one of these berths on the understanding it must be vacated at the end of the period after which you would return to your original place on the wait list. (please circle one)
